- Remediation of the Subsurface Disposal Area at the Radioactive Waste Management Complex

# Contracts competed and awarded through 2012

- ✓ Staff augmentation (administrative, professional and technical services)
- ✓ A-E services
- ✓ Idaho CERCLA Disposal Facility (ICDF) operations (on-site)
- ✓ Treatment and disposal of mixed and low level waste (off-site)
- ✓ Concrete/grout batch plant
- ✓ Design and fabrication services (Premier, small business partner)
- ✓ Blanket Purchase Orders (BPO)
  - Office supplies, Janitorial, Electrical, Lab supplies

# Small Business Program

CWI is committed to increasing subcontracting opportunities to small and small disadvantaged businesses.

## Cumulative results since contract inception thru FY 2008

Socioeconomic Category	Goal %	Actual %	Dollars \$
Small Business	45.0	63.3	300.0M
Small Disadvantaged Business	15.0	14.8	70.3M
8(a) Certified Small Disadvantaged Business	6.0	12.8	60.6M
Woman Owned Small Business	10.0	11.7	55.7M
HUBZone Small Business	3.0	2.9	13.8M
Veteran-Owned Small Business	3.0	7.6	36.1M
Service-Disabled Veteran-Owned Small Business	1.5	0.6	2.8M

# Challenges

- Small Businesses unable to accept nuclear indemnification requirements in support of Integrated Waste Treatment Unit project
- Lack of Service Disabled Veteran Owned Small Businesses commensurate with needs and capabilities needed to support the Idaho Cleanup Project

# Doing Business with CWI

## Steps to Initiating Business

1. Register your business in the Central Contractor Registration (CCR) database.
2. Email your capabilities statement or line card to our Small Business Program Manager.
3. Submit an expression of interest for specific opportunities posted on our forecast from the link provided.
4. Service Providers may register in the CH2M Contractor Qualification System (CQS) Online Interactive Database for exposure to all CH2M Hill affiliated companies.
