

Panel Discussion:  
**Disposition of US DOE High Activity Mixed Waste  
(and “Orphans”): Post 2010**

**Christine Gelles**

**Director, Office of Disposal Operations**

**Office of Environmental Management**

- Recovery Act provided funding to support acceleration of solid waste disposition projects
- Environmental Management has high level strategic goal to achieve disposition of 90% of its legacy transuranic waste inventory by 2015
  - Considerable percentage of stored TRU inventories will ultimately be determined not to be TRU
- Adequate treatment technologies and capacity exist to support project plans
- Ensuring disposal capacity of higher activity MLLW is critical to meeting project goals
  - Nevada National Security Site
  - Waste Control Specialists Federal Waste Disposal Facility
