What the BRC Said— and What It Didn't Say

What Did The BRC Say— and What Didn't It Say?

Did Say

- “One or more...”

Didn't Say

What Did The BRC Say— and What Didn't It Say?

Did Say

- “One or more...”

Didn't Say

- “One...”
or
- “Two or more...”

What Did The BRC Say— and What Didn't It Say?

Did Say

- “One or more...”
- NAS study on safety and security of SNF and HLW storage

Didn't Say

- “One...”
or
- “Two or more...”

What Did The BRC Say— and What Didn't It Say?

Did Say

- “One or more...”
- NAS study on safety and security of SNF and HLW storage

Didn't Say

- “One...”
or
- “Two or more...”
- NRC is doing all that is needed

What Did The BRC Say— and What Didn't It Say?

Did Say

- Technical assistance and funds for transportation planning now

Didn't Say

What Did The BRC Say— and What Didn't It Say?

Did Say

- Technical assistance and funds for transportation planning NOW

Didn't Say

- Technical assistance and funds LATER

What Did The BRC Say— and What Didn't It Say?

Did Say

- Technical assistance and funds for transportation planning NOW
- NRC should review and potentially revise the Waste Classification System

Didn't Say

- Technical assistance and funds LATER

What Did The BRC Say— and What Didn't It Say?

Did Say

- Technical assistance and funds for transportation planning NOW
- NRC should review and *potentially* revise the Waste Classification System

Didn't Say

- Technical assistance and funds LATER
- Revise the WCS NOW (to reflect risk, not origin)

What Did The BRC Say— and What Didn't It Say?

Did Say

- NRC and EPA roles are OK

Didn't Say

What Did The BRC Say— and What Didn't It Say?

Did Say

- NRC and EPA roles are OK

Didn't Say

- Give it all to the NRC
or
- Give it all to EPA (and the states)

What Did The BRC Say— and What Didn't It Say?

Did Say

- NRC and EPA roles are OK
- Promptly review commingling

Didn't Say

- Give it all to the NRC
or
- Give it all to EPA (and the states)

What Did The BRC Say— and What Didn't It Say?

Did Say

- NRC and EPA roles are OK
- Promptly review commingling

Didn't Say

- Give it all to the NRC
or
- Give it all to EPA (and the states)
- Keep 1985 policy
or
- Separate defense from commercial

**Reminder: Thursday 1 PM Panel on
the BRC and its Report**
