EM is committed to creating sustainable contract opportunities for small businesses by increasing the amount of meaningful work for small business prime contracting.

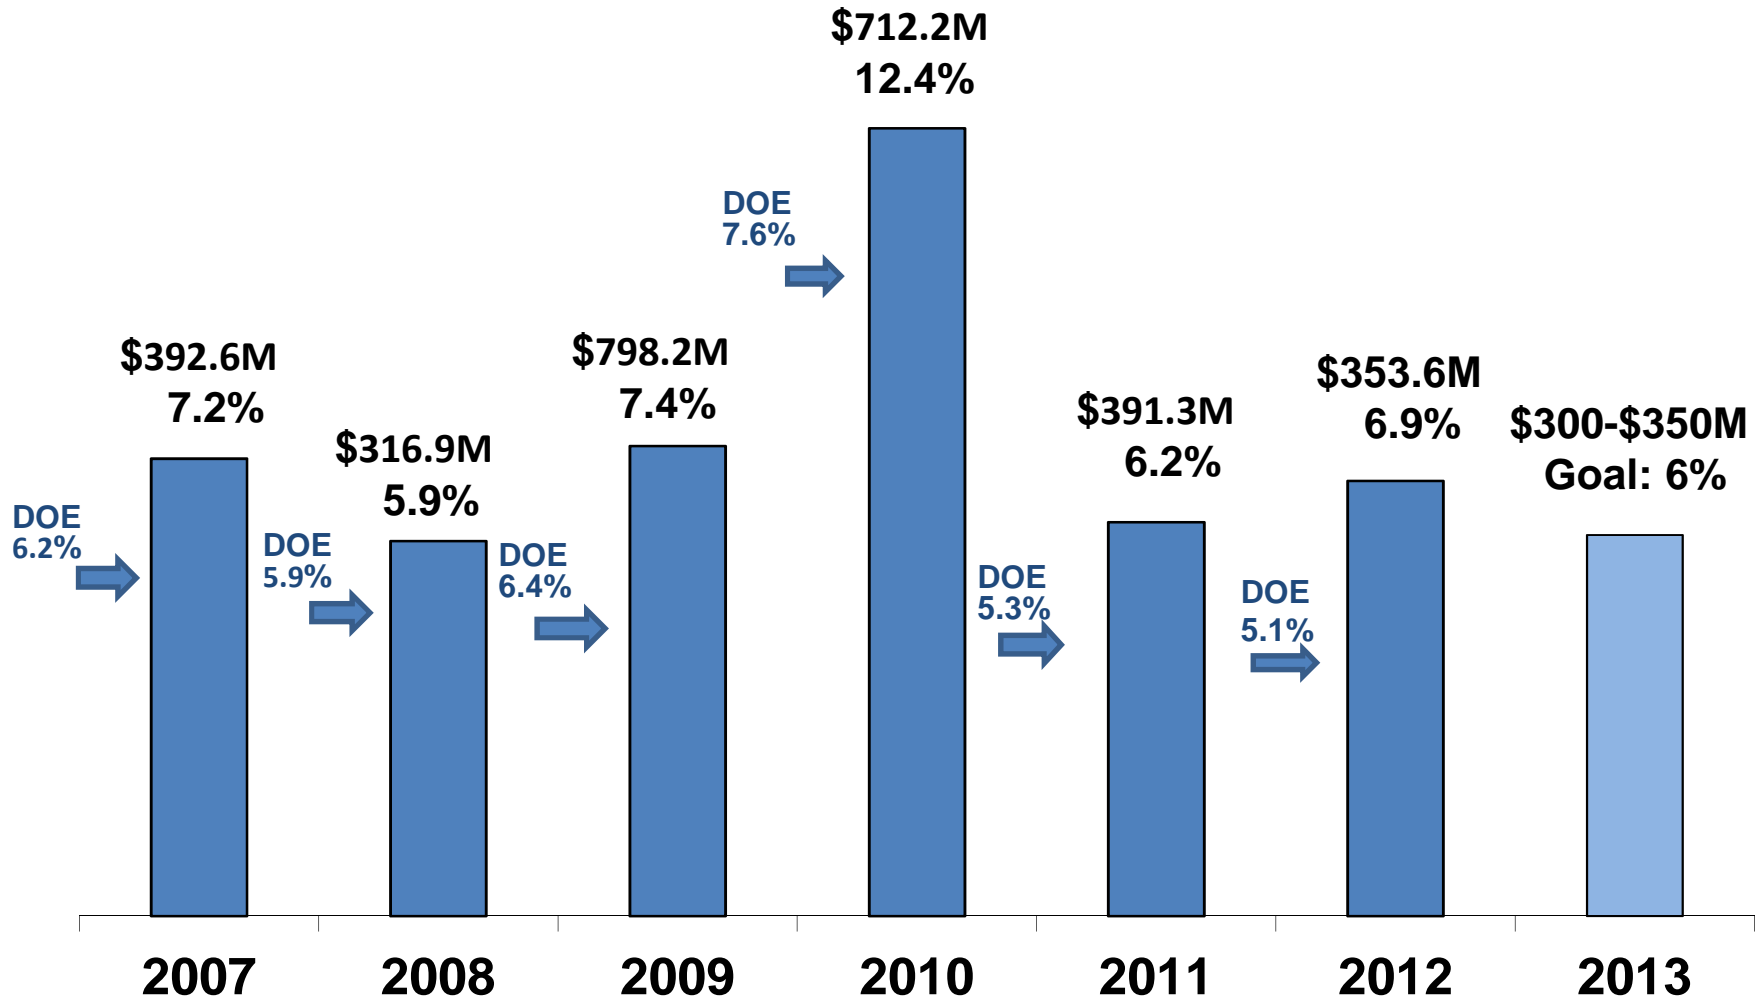

Key Strategies

- Increase the amount of meaningful work for small business prime contracting by working closely with the EM sites
- Implement a sustainable approach to small business prime contracting by creating long term contracts, such as MOAB Remediation Services and Hanford Occupational Medical Services
- Expand ordering capability of small business contracts to other DOE Program offices, such as EM's small business IDIQ contact(s) for D&D services
- Increase awareness to EM sites of small businesses in the socio-economic categories
- Work with DOE's Office of Small and Disadvantaged Business Utilization and EM Sites to develop small business contracting strategies
