Waste Management Symposia

March 17, 2015

EM is committed to creating sustainable contract opportunities for small businesses by increasing the amount of meaningful work for small business prime contracting.

Key Strategies

- Increase the amount of meaningful work for small business prime contracting by working closely with the EM sites
- Continue to expand outreach to Socio-Economic small business
- Expand ordering capability of small business contracts to other DOE Program offices, such as EM's small business IDIQ contact(s) for D&D services
- Work with DOE's Office of Small and Disadvantaged Business Utilization and EM Sites to develop small business contracting strategies

Scope of Work

- Provide analytical services and testing of various samples
- Majority of samples come from the Tank Farms
